

Road Closure and/or Traffic Disruption

Dear Owner/Occupant

Please be advised that on September 7, 2010 starting at approximately 9:00 am, Vossa Contracting will have Petrolia Line between Centre St. and Queen St. reduced to two way flagged traffic to repair a blocked Sanitary Private Drain Connection (PDC).

The work scheduled should take approximately 2 days in total to complete. If there are any delays or changes to the schedule such as weather conditions, the Town of Petrolia Operations Department will due their due diligence in giving ample time for notification.

The Town of Petrolia would like to apologize in advance for any inconvenience this may have caused to our patrons and appreciate your patience while this issue is being rectified.

If you require any further information, please feel free to call the Municipal Office 519-882-2350.

**Best regards,
Brian Hansen
Operations Manager**
