

E-Bill Subscription for Property Tax Billing

The Town of Petrolia offers electronic viewing of your Interim and Final property tax bills. By signing up for this service, you will be able to view your bill in a PDF format that will be sent to your email address in February and August.

If you sign up for this service, you will no longer receive a paper copy of the bill! If your bill is paid by your mortgage provider and you currently do not receive a copy of your bill, you may also register for this option.

We see this Green initiative as a value-added service to the residents of the Town of Petrolia. We hope that you agree!

To register for e-Bill, you will need your Roll Number and Address. If you are unsure of your Roll Number, please contact the office at 519-882-2350. Once registered, should your email address change, please notify us so we can update your file.

Property Information

Property Owner Name(s): _____

Mailing Address: _____

Property Address: _____

Property Roll #: _____ Phone: _____

Email address: _____ *(please verify email is written correctly)*

Terms of Service:

I authorize the Town of Petrolia to transmit all future Property Tax bills to the email address provided above. I understand that I will not automatically receive Property Tax Bills by regular mail and that failure to receive a Property Tax Bill does not excuse me from the responsibility of payment of taxes, nor relieve me from the liability of penalty for late payments. I accept responsibility for contacting the municipality with any future change in my email address. I understand that I may contact the tax department to discuss any concerns with my account.

I authorize the Town of Petrolia to send me a monthly newsletter with important dates, events, facility hours, compost site information, large item pick up and more. This monthly publication is called "The Petrolia Connection" and is limited to Petrolia information. You may unsubscribe from this service at any time and it will not effect your e-billing.
