

Memorial Bench Program

The Town of Petrolia believes in providing opportunities to all applicants who wish to observe, acknowledge or remember:

- A historical event
- Occasion
- Service group
- A loved one

Beautify the public parks and ideal locations throughout the town with a memorial bench!

Applicants are to donate \$1,500 to the Town of Petrolia to cover the costs associated with the bench, delivery and installation fees. Once your donation has been made, the process will begin.

Names and logos are allowed within the back portion of the bench.

Once purchased and installed, the bench is property of the Town of Petrolia. We will be responsible for maintenance.

This program is inclusive and available to residents -past and present, tourists, visitors, business, service groups and sports groups alike.
