Church Basement Ladies Makes VPP History

PETROLIA, MAY 21, 2014 - Victoria Playhouse Petrolia (VPP)'s 2014 season is off to an incredible start. Due to overwhelming audience demand, and in light of the fact that two additional shows were added to the run, *Church Basement Ladies* (in its Canadian premiere) has set a new record for the theatre—selling out the entire run before the first preview curtain fell. “With *Church Basement Ladies*, patrons are coming to the show trusting that they will be entertained, and we are privileged to have earned their confidence,” said **David Hogan**, Co-Artistic Director of VPP.

The momentum is trending for the second show of the season—the highly anticipated *Fiddler on the Loose 2*. Hogan states, “We have already well surpassed ticket sales for this time last year.” Theatre-goers can anticipate a season packed with laughter and song.

Upcoming at Victoria Playhouse Petrolia is *Fiddler on the Loose 2* (June 10-29), *Canada Sings* (July 8-27), *The Nerd* (August 12-24), *Everything Elvis* (September 2-13) and *Broadway Heroes* (September 16-21). Tickets can be purchased by calling the box office at 1-800-717-7694 or by visiting www.thevpp.ca

Please Take Care!

Pedestrians are asked to use extra caution when crossing Petrolia Line. We ask that you use the designated corner crossings. When using the Greenfield Street crosswalk, be sure to **press the button**, do not step into the street until you have caught the eye of drivers in both directions and traffic has come to a stop. Drivers are asked to take extra care.

The Petrolia Rotary Club has built a covered structure at Woodland Park for picnics. Thank you to Rotary for this great addition to the Park!

**WELCOME TO THE NEW
FORMAT OF THE PETROLIA
CONNECTION!**

If you belong to a church, service club or non-profit organization in Petrolia, and you would like information on how to have your events added to The Petrolia Connection, please send an e-mail to: lellsworth@town.petrolia.on.ca, or call (519)882-2350 Ext. 231.

NOTICE TO PROPERTY OWNERS NOXIOUS WEEDS & LONG GRASS

Weeds

Notice is hereby given to all persons in possession of land, in accordance with the Weed Control Act, R.S.O. 1990, Chapter W.5, Section 3, 16, and 23.

That unless noxious weeds growing on their lands within the municipality of the Town of Petrolia are destroyed throughout the season, the municipality may enter upon the said lands and have the weeds destroyed, charging the cost against the land, plus an administration charge as set out in the Act. (Minimum charge per parcel is \$50.)

Long Grass

By-law 80 of 2008 specifies that "weeds and grass shall not be permitted to grow or stand greater than 20 centimeters (8 inches) in height."

Under Section 9.4 and Section 10, if grass is not kept under 20 cm or 8 inches, the Town after notice is given will cut the property grass at the owner's expense.

The cooperation of all land owners is appreciated.

During summer months, art work is on display in the Council Chambers and available for viewing 10:00 a.m. – 4:30 p.m. Monday to Friday and during theatre show times on weekends and evenings. Many pieces are available for purchase with either cash or cheque made out to Town of Petrolia.

MAY-JUNE Valerie MacGregor-Rempel “My Personal Story”, her journey through life

Valerie packed up her car with her favorite things from her closet, her studio and her own home and drove out to a bush in Brigden area. Just as nature finds the beauty in all things. Valerie captures the beauty through her lens and creates a perfect marriage with her personal items and with Mother Nature’s colourful foliage. www.valerierempelphotography.net

JULY David Vasquez “Wind and Water”

David’s work has been featured at the Canadian Museum of Civilization in Ottawa, the 10th Annual Nuit Blanche exposition in Toronto and commissioned by the Royal Ontario Museum. David has been at Art in the Park in Petrolia over the past few years and recently exhibited at Artexpo New York. “As a self taught artist I feel free to express diversity in my artwork. I use oil on canvas with palette knife”

AUGUST Diane Nelles “No Place Like Home” - Opening: Tuesday, August 12 4-6 p.m.

Most summers for almost 40 years, our family would make the 15 hour drive to Nakina, the small town in Northern Ontario where I grew up, with six siblings and my mother. In 2009, Mom was diagnosed with cancer. Our annual vacation increased to twice a year that first year, and eventually we visited every second month, helping Mom as much as we could. Four years later she lost her valiant struggle with cancer. Painting memories of my home, the nearby lake, and personal memories of our home have been my therapy these past five years; and an inspiration for my show. www.dianenells.com

SEPTEMBER Hank Jagt, “A Look at Lambton County” - Opening: Tuesday, September 2, 4-6 p.m.

Hank Jagt is an artist living in Petrolia. The majority of his work is representational oil and acrylic paintings. His focus is on the landscape of Southwestern Ontario. A more recent addition is his wood carvings that can be seen under the oil and acrylic section. In 1968-1969 he attended the Ontario College of Art in Toronto before moving back to Southwestern Ontario. With a family of five children, he continued to paint in oils, acrylics and water colour and is also interested in photography, gardening, history and astronomy.

Art in the Park Petrolia 2014

July 11th and 12th, 2014 hasn't yet arrived on the calendar and already *Art in the Park Petrolia* has broken all previous records. More than double the number of applications have been received over last year's numbers; and the event was officially in a "wait-list" situation earlier this year than ever before.

This popular Petrolia event is attracting artists from further away than ever; accepted artists are coming from Barrie, Oshawa, Toronto, Hamilton and all points in between to join our very talented local artists at this year's events.

Event registrar Barbara Prescott is very pleased with the diversity as well as the quality of all the accepted artists, saying that the Art in the Park Petrolia jurying committee had some difficult decisions to make but in the end this show will be a festival of talent for all the visitors.

The entertainment line-up is very nearly full too, according to coordinator Danna Andrade. This year's line-up will include everything from drum circles to jazz. We also have our beloved regulars Doug Springstead with friends Neil and Jessie Blackstock, country with Peggy Storey, rock out with the Boarderline Band, talented music teacher Mike Murphy, the sweet accapella tones of Dulce Jubilo, Steve Carapiet and many more. Don't forget to come out to support the contestants of the Rotary Youth Idol contest on Saturday afternoon.

Applications for the Rotary Youth Idol contest as well as entertainer applications can be found on line at www.artintheparkpetrolia.com or call Danna at 519-882-4133.

There will be plenty to entertain every member of the family. The children will be entertained in the expanded children's art tent while the adults can try their hand at activities designed to amuse and challenge. There will also be a balloon artist, a face-paint artist and a magician/story teller to amaze and entertain everyone. The hungry and the snackers will be able to munch on everything from delicious ice cream, BBQ favorites, home-made fudge and fresh cut fries.

Carol Graham, chair of *Art in the Park Petrolia*, says "we are thrilled and very excited with how *Art in the Park Petrolia* 2014 is coming together; it's going to be a great event".

GRASS CLIPPINGS

Grass Clippings on Roadways & Sidewalks

When cutting your grass areas, please be sure that any grass clippings that are blown on to the roads and or sidewalks are swept up.

It is the property owners responsibility to make sure roadways and sidewalks are kept clear of these grass clippings.

Grass Clippings – no curbside pickup

There is no curbside pick-up for grass clippings, please do not leave them at the curbside; grass clippings can be taken to the Compost site at the end of Maude Street.

The compost is open on Monday & Wednesday in the evening and Saturday mornings. We are closed on holiday Monday's but open on the Tuesday following the holiday.

The cooperation of all property owners is appreciated.

SUMMER STUDENTS TO HELP SEND FIRE PREVENTION MESSAGE

Starting this June, the Petrolia and North Enniskillen Fire Dept. have two summer students to help send our fire prevention messages throughout our area.

Nicole Connors and Kevin Pearson will be attending many summer events in Petrolia along with assisting in our home visits throughout Petrolia.

With our home visits, Nicole and Kevin will be making sure that home owners have working smoke alarms, along with answering your questions about smoke alarms and fire safety in your home. If you are unable to check your smoke alarms or need assistance in installing them in your home, they will be glad to help.

For more information in smoke alarms or fire prevention in your home contact the Fire Hall at 519-882-2020 and leave a message.

AWSI COURSE

Assistant Water Safety Instructors

The AWSI Course introduces candidates to the foundation of instructional skills by focusing on the theoretical knowledge that supports learning and teaching.

This course guides the knowledge and skills needed to become an AWSI, by focusing on teaching methods, learning styles, physical principles, progressions, communication, safety supervision and feedback.

Candidates are also provided the opportunity to demonstrate and be evaluated on their understanding of skills and knowledge, through practical teaching experience and hands-on assignments.

Candidates are required to attend and participate in 100% of the course.

Red Cross Water Safety Instructor Course

The Water Safety Instructor Course focuses on planning and teaching the Red Cross Swim continuum, instructional emergency response skills and instructional techniques specific to our programs.

The certification issued allows candidates to teach all the Red Cross Swim programs.

Duration: 25 hours (+ 9-11 hours teaching experience)

Prerequisites: Candidates must be 15 years or older and certified as Red Cross Assistant Water Safety Instructors.

Evaluation: All course components, including the teaching experience, are evaluated against specific performance criteria on a pass/fail basis. The performance criteria are located in the Water Safety Instructor Manual.

Certification: Upon successful completion, candidates are certified as Water Safety Instructors, which allows them to teach Red Cross Swim programs.

Recertification: Attend a recertification workshop every two years.
