### Town of Petrolia Open Burning By-Law

Before burning any materials ensure that you are not going to violate this By-Law and remember that clean, dry, untreated wood is the only material that is permitted by the By-Law to be burned. To view the complete By-Law please visit our webpage [www.town.petrolia.on.ca](http://www.town.petrolia.on.ca) and go to the By-Law section.

**Be aware:** If the Fire Department is dispatched to attend an unauthorized fire, the property owner will be billed in accordance with the municipalities current Fees and Charges By-Law. At a **minimum**, a property owner will be billed for two trucks being dispatched from the station. Each truck is billed at the rate of **\$420.00** per hour. Depending on the nature of the 911 call placed to dispatch there is a possibility for a charge of three trucks being billed. Therefore, by taking the risk of having an unauthorized burn you may potentially be looking at a bill from the Town in the amount of **\$1260.00** for one hour for the Fire Department to respond to the call. The Town takes a zero tolerance approach to these billing practices. If you would like to know if you are in a restricted or non-restricted area and/or if the material you would like to burn is prohibited, please contact the Town of Petrolia at 519-882-2350 from Monday to Friday, 8:30 am to 4:30 pm.

Pay particular attention to maturing crops, grass drying up etc., not only on your own property, but your neighbours as well. Be considerate. The smell of a wood fire may be pleasant to some, but offensive to others.

**Also remember, that the By-Law has provision for cost recovery and/or fines or violations and unnecessary fire department call outs.**
