

Memorial Tree Planting Program

Trees are living, growing, renewing and majestic! As part of our global awareness of the environment, trees, particularly the urban forest plays a very significant role.

The Community Services Department is committed to the green spaces in the Town of Petrolia. The Commemorative Tree Program, is a very special way of keeping Petrolia green. This partnership between the Community Services Department and Hillsdale Cemetery helps to fill a void, as no trees can be planted at Hillsdale. For a very reasonable fee, you may purchase a tree which is planted in Fairbank Park in recognition of a loved one.

The tree will be planted in Fairbank Park, and will become a living tribute and remembrance of a person.

Once a year a tree planting ceremony will occur in the fall, and at that time the current year recognitions will be unveiled as an addition to the permanent plaque at Fairbank Park.

Applications for commemorative trees are accepted year round.

Trees are planted as weather conditions permit in the fall each year.

Applicants for commemorative trees may choose from a variety of trees listed below and are matured to a height of approx. 8-10 feet.

These trees have been specifically chosen for their growth potential in Petrolia and in recognition of being native to our community.

Trees:

1. Freeman Maple
2. Tulip Tree
3. Hackberry
4. Eastern Redbud

All costs of planting a commemorative tree are at the applicants expense and will need to be paid for at time of submission.
