Hydrant & Watermain Flushing

April 15 - May 10, 2024

7:30am-4:30pm

The Ontario Clean Water Agency (OCWA) will be flushing water mains throughout Petrolia as part of the annual flushing program.

You may experience discoloured water coming from your tap. If this happens, we suggest you try the following:

- remove the aerators from your taps and flush all the house lines until the water runs clear
- you may also decide to refrain from doing laundry during this period to avoid staining of your clothing.

We apologize for any inconvenience this may cause.

OCWA will continue to work on the flushing programs to ensure consumer satisfaction. Any concerns, please contact OCWA at the phone number below.
