

## **PETROLIA DISCOVERY IS HIRING TWO POSITIONS FOR THE 2025 SEASON**

**Petrolia Discovery is an 1860's historic working oil field, and the only one in the world that is open to the public. Petrolia Discovery highlights the tools and technology created and adapted in Petrolia to farm for oil around the globe. The gem of our site is the Fitzgerald Rig, a central powerhouse for the oil field. In continuous operation since 1903, this rig is the largest of its kind in the world.**

**A complete restoration of all operations and displays on site has been taking place since 2018 using talented professional volunteers. We offer a unique opportunity for students to provide guided tours of the site, plan and assist with interactive displays and learning experiences for young people and input their own ideas for experiences at Petrolia Discovery. We offer an exceptional experience working with a multifaceted team of volunteers and professionals to showcase our historic site with its distinctive place in world history. The successful candidate will enjoy learning, organization, hands on work, public engagement, and the great outdoors.**

**In addition to fieldwork the candidate will gain administration experience working with a nonprofit board of directors, the value of networking with local experts and the creation, maintenance, and value of sharing our unique site and history with visitors.**

**Successful candidates will participate in all aspects of running the site and gain valuable employable skills, doing something they enjoy that will benefit the future operations of our one-of-a-kind site. We are a team operation where everyone's strengths and interests are appreciated and valued.**

**Valid Driver's Licence is desired but not necessary. Transportation to the site is required. Ability to navigate uneven terrain, perform light physical work, walk significant distances and outdoor work.**

**Please send your resume to [petroliadiscovery@outlook.com](mailto:petroliadiscovery@outlook.com) by March 28, 2025**

**\*For resumes received earlier than March 28, 2025, we will provide interview opportunities for students who may be in the area during reading weeks and other times.**
