

# CEMETERY MARKERS & CEMENT FOUNDATIONS

A cement foundation provides a level, stable base that helps prevent settling and supports the longevity of your memorial.

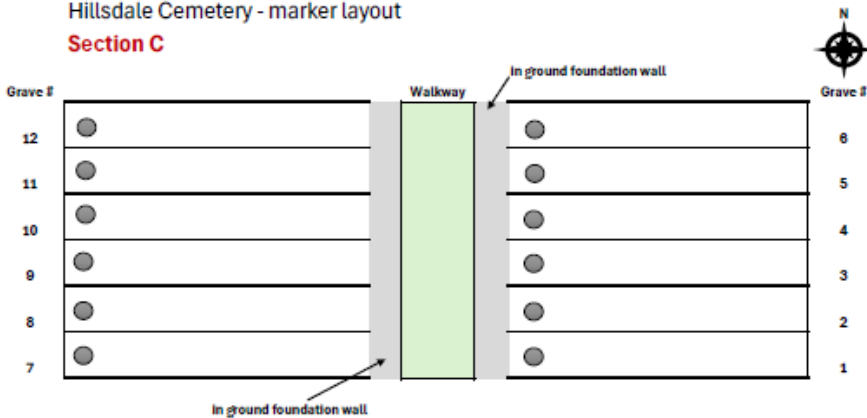

**RECOMMENDATION:**  
When ordering a cement foundation, it is recommended that a 1-3" margin from edge of base to edge of tablet be ordered.

**Hillsdale Cemetery**

## Hillsdale Cemetery - marker layout

### Section C

As of January 1, 2026 setting, C&M and cement foundation fees are payable by VISA or M/C. Thank you.

Marker deliveries are accepted May 1 – October 31,

- Monday through Friday 8:00 am to 3:00 pm.
- If delivered outside of this time and without a Town employee present, the Town accepts no liability on damage
- A Town of Petrolia Installation contract shall be completed in full before any marker(s) are delivered
